

**UPDATE FOR SCOTTISH COLLEGES SPORT**

- Home Nations Football in to 3<sup>rd</sup> stages of trials, good turn out and am very pleased with coaching staff.
- Finals day at Aberdeen Sports village was very successful - level of play has significantly increased from 2010. Excellent atmosphere and the event was very enjoyable.
- BCS Finals: we are sending 81 students and staff to the BCS finals, which is close to double what we sent last year; kit for teams and new team managers.
- Continuing with facebook campaign to try and get more followers have also added SCS twitter account.
- One SCS Steering group meeting since EGM - we reviewed this seasons sporting activities to make changes for next year to ensure that what we are providing is suitable and enjoyable for the colleges.
- Meetings with all colleges re: new structure and new prices. All have gone very well and most think the changes are fair and the costs are reasonable. Motherwell was the only one not fairly positive that they would get the support from their college. Still to meet with; Dundee, D&G, Cardonald and City of Glasgow (Met, Nautical & Central) these are 4 big ones and we really need their support. They know that I am trying to meet with them but we have not been able to settle on a date that is agreeable. Have met with all other that are having an increase.
- FA attending principals meeting on April 7<sup>th</sup> is a very positive step for SCS.
- Drafted papers with SF for SFC in hoped of securing further funding for SSS.

**SUS Executive is asked to consider the following:**
